## *Gone, but Never Forgotten!*

Sadly, this past July we lost five of our beloved clients. So in place of our pet of the month we want to pay tribute to these treasured family members. It is hard to find the right words, so I decided to find a poem on-line to honor them.

### I Haven't Left At All

*I saw you gently weeping as you looked through  
photographs  
You paused for just a moment at one that made  
you laugh.  
But as you turned more pages the tears began  
to flow  
You whispered that you missed me but I want  
you to know;  
I softly licked those stinging tears that down  
your cheeks did fall  
I want to help you understand I haven't left at  
all.*

*On those days that you are overcome with  
sorrow, pain and grief  
I rest my head upon your leg to offer some  
relief.  
When you take our walking path I've seen you  
turn around  
Because I know you surely heard my paws upon  
the ground.*

*At night while you are sleeping I snuggle at your  
side  
You stroke my fur as you touch that place where  
I used to lie.  
You said it's just your heart playing tricks upon  
your mind  
But rest assured I'm really there, my spirit's left  
behind.*

*I know your heart is hurting; it's like an open  
sore  
You think my life has ended and you won't see  
me anymore.  
But for those of us bound tight by love, death is  
not the curtain call;  
It's really the eternal beginning that waits for us  
all  
So, dear Master as you live your life I patiently  
await  
For us to be together when you pass through  
Heaven's gate.*

*In loving memory of...*
