Happy New Year!

We hope that everyone had a very happy and safe holiday season. We have started off the year with a few new things for the business. We are now officially Allard Pet Sitting LLC, which means we can now use our new logo. Our logo was drawn by our very own Becca & computerized by one of our clients, Tim M. I would like to thank both of them for their hard work; it will look very sharp on our new products.

In the near future we will be implementing pet care forms and formal contracts. We are currently saving up money to have everything trademarked in the near future. We had the idea to try out a newsletter to keep everybody updated on our business, we hope you like it. You can also check out our new website at www.allardpetsittingllc.com we will keep it as up to date as possible. We look forward to a year of new clients and new friendships.

Polar Plunge 2010!

We participated in the Polar Plunge last year and have decided to go for it again. This is a fundraising event for the Special Olympics. Last year, with 3 people on our team we managed to raise about \$600 for this great cause.

This year we would like to at least double the amount raised and have more jumpers. We would like to extend an invitation to all of our clients to visit our team page and donate to either Lindsay Allard or Becca Riddle OR join our team.

The jump will be held at noon on Saturday, March 6th at Bradford Beach in Milwaukee. Please support / join our team if possible. Everyone is welcome to come out and watch the jump. Thank you in advance for your help and support. Our team page is:

Featured Pet!

Charlie Imagirl Allard and Lindsay Allard

For the first time of having a Featured Pet, I decided on my own dog. She is a 6 year old black lab; she will be 7 on Valentine's Day. She is originally from the Wisconsin Humane Society and came with the name of Charlie, so I decided to give her the middle name of Imagirl.

We have been in agility classes at Greater Racine Kennel Club and Happy Feet together for about six years. On some days it shows; other days we're comic relief (normally my fault.) We have also taken obedience classes at GRKC, where she completed her CGC test.

She is overall a momma's girl and she gets out of a lot of trouble with her big, brown eyes. She likes treats, but can be won over with a squeaky stuffed animal. She is my baby girl, but I also like to call her "Snotface." I don't know what I would do without my Charlie Bear.

We will be out of town:

- Friday, March 12th thru Sunday, March 14th

- Friday, April 23rd thru Sunday, April 25th

We are very sorry for the inconvenience!
