Lillee Mae posing for the camera

Hi,
Mike and I were married 3 years ago-we had an instant "animal" family! Two Golden Retrievers and a cocker. Lillee Mae was 7 weeks old and a ball of black fur with only a speck of white on her back along with one blue eye and one brown eye. Her best friend was Rhett who passed away last year at this time. She loves to play with her new "golden Retrievers" Raider and Shelbee. Her favorite food is anything that she can find, and will take it only after it is sniffed. Lillee is now 6 years old and is our shadow. It is truly amazing how both Mike and I enjoy our life and animals. We take frequent short trips and without Allard Pet Sitting this would not be possible. I mentioned we had an instant animal family, which is not counting our 5 cats too... Thanks for all you do for our animals!!

Power Pet Sitter Program

As of this month we have decided to launch a new (to us) program. With this program you can input your personal, house, and pet information securely and it will be easily accessible to our staff. We understand that the first time you login it may take a little bit of time, but please be thorough when entering information. Also, please make a profile for each pet (if possible) in order to make sure we get correct information on each pet. Once you enter the information you will not have to enter it again, unless you need to make any changes. In order to help us do our job correctly, please keep all information as current as possible. We have also added the option for you to pay with PayPal as well as still paying with cash or check. In order to get started visit our new "Links" tab on our website: www.allardpetsittingllc.com

Please be patient with us as we all master this program together, we expect kinks and will handle them as quickly as possible. Contact us with any problems, questions, or suggestions. Thank You!

**Don't forget to "Fall Back"
at 1:00 A.M. on Sunday, Nov. 7th**

As per client suggestions, we have decided to create a "Testimonial" tab on our website. Please feel free to stop by and leave a comment in our Guest Book. Thank you!

What's New?

We are making steps towards opening an Animal Daycare, where we can live and run our business. We will still be doing in-home pet sitting, we are just looking to help more people by allowing pets to come to us as well. We have a lot of goals and plans for this business and we cannot continue to go on without our 100 clients. We appreciate your business and for the kind words that you spread about us. We will keep everyone posted as more news is available.

POLAR PLUNGE 2011

Freezin' For A Reason

Allard Pet Sitting, LLC will be partaking in the Polar Plunge for the Special Olympics for another year. Last year with only 4 members, we managed to raise about \$1,200 for this worthy cause. We hope to gain more plungers this year as well as double our past earnings. We will add our link to our website as soon as possible. The plunge will be at Bradford Beach in Milwaukee on March 5th, 2011 if you care to jump or come watch.

Congrats to Bo and Nia on the arrival of
your baby brother, Benjamin!
