### Featured Pet

Our featured pet this month is Zulu, who can use our help with his legs/ Please be sure to check out Zulu's story at [www.allardpetsittingllc.com](http://www.allardpetsittingllc.com) under the Featured Pet tab.

This past summer we hired our first employee, Michelle. If Michelle helped with your animals you were offered the luxury of meeting her. Michelle went back to school and we are looking forward to having her back to help during the holidays. We are looking for more help with pet sitting and dog walking as we grow bigger with each passing month.

Also, we are working forward to hopefully having a building in the near future. If all works out for us we are hoping to add day care/boarding to our services. We will be sure to keep everyone posted.
